

# Less is More

16 January – 12 April 2010

LUX63 Gallery

Via Bartolomeo D'Alviano, 23,  
34144 Trieste TS, Italy

In the exhibition artists through their work, express one of the most enduring faculties of art: that of communicating vibrations, light, forces, colors, energies, words, and excitations. Taking words as both subject and medium, the works presented explore the interrelation of form, and the distinction between space, meaning at and reading a painting.

**Artists:** Jasper Johns, Frank Stella, Daniela Danica Tepes, Lawrence Weiner
