

Basically, It Is Very Practical - Smart to the Core

November 21, 2009 – January 18, 2010

Galerie Voller Leerraum

Willy-Brandt-Platz 5,

81829 Munich Germany

Galerie Voller Leerraum is pleased to present a group exhibition *Basically, It Is Very Practical - Smart to the Core*. The exhibition is designed as a reflection between the artwork, human presence, and space. The presented art genres are video, photography, performance, drawing, painting, and installation. The artistic elements used in the artworks include sound, color, light, space, and material.

Artists: Jasper Johns, Frank Stella, Cindy Sherman, Antoni Tàpies Daniela Danica Tepes, Lawrence Weiner, Franz West
